

FACIAL TREATMENTS

EXPRESS CLEANSING – all skin types

25 min.

Rediscover skin radiance and a youthful glow with a professional cleansing with exfoliation, and a mask customized to your skin's needs.

BASIC FACIAL TREATMENT – all skin types

50 min.

This treatment includes a professional cleansing with exfoliation, steam, extractions, serum application, moisturizing cream applied to the décolleté, neck and shoulders, and a mask customized to your skin's needs.

ACNE FACIAL TREATMENT

50 min.

SkinPhD **CLARIFY** collection features the anti-bacterial, anti-viral, mineral-rich Honeybush plant grown in South Africa, and active ingredients used to reduce sebum and combat acne. The treatment also includes a Liposilt Mask specifically designed to reduce oil and control skin imperfections.

ETHNIC FACIAL TREATMENT

50 min.

SkinPhD exclusive **RENAISSANCE** collection addresses the specific needs of women with skin of color. Ground-breaking, patented active ingredients are a key feature of this treatment that supports light olive to dark skin in a unique way.

ANTI-AGING FACIAL TREATMENT

50 min.

SkinPhD **PLATINUM** collection is used to address the needs of aging skin and prevent premature aging utilizing semi-precious stones, Hexapeptide-10 and Kombucha Tea to promote cells repair, energize the cells, stimulate circulation, increase moisture and induce collagen and elastin synthesis.

REJUVENATING FACIAL TREATMENT – with Cocoa Mask

50 min.

The **PLATINUM** collection is used to address skin firmness while stimulating collagen and elasticity. This treatment will also target pigmentation problems, support cell regeneration, rejuvenation and will help you rediscover a youthful glow.
